EZCORP INCREASES INVESTMENT IN CASH CONVERTERS

AUSTIN, Texas (May 20, 2010) — EZCORP, Inc. (Nasdaq: EZPW) announced today that it has acquired an additional 16,200,000 newly issued ordinary shares of Cash Converters International Limited. EZCORP paid AUS \$0.60 per share, for a total of AUS \$9,720,000 (approximately \$8.2 million U.S.). EZCORP now owns approximately 32.76% of the outstanding ordinary shares of Cash Converters.

Cash Converters has been acquiring franchised locations, principally in Australia, and converting them into company operated stores. In addition, Cash Converters launched its cash advance business in the U.K. in October 2009 and, after a successful pilot program, now plans to expand that business. The proceeds of the EZCORP investment, along with the remaining proceeds of EZCORP's original investment in November 2009, will be used to accelerate these growth strategies.

Joe Rotunda, EZCORP's Chief Executive Officer, stated: "We are excited about this opportunity to enhance our relationship with Cash Converters. This additional investment represents a continuation of the product, format and geographic diversification strategy that we have been pursuing for some time. Cash Converters is making great progress in implementing their own growth strategies, and we look forward to continuing our mutually beneficial, long-term partnership."
